Mary Coakley-Munk – There are huge changes taking place at La Jolla Rec Center. She is concerned that we are not represented well there.

Pat Granger (guest) – Park and Rec Survey/ questionnaire sent in La Jolla through e-media. She will get a copy for us at a later date.

Sally Miller (guest) – Asked about the dockless bikes which we had scheduled later in the Agenda.

Janie Emerson – Suggested that we start asking for donations at each meeting to defray our expenses. She suggested we do something similar to what the LJCBA does at their meetings.

### **6:45 Representatives' Reports:**

**Lifeguard Report** - Lt. Rich Stropky - absent

**Council District 1** - Mauricio Medina – Offered the Dist. 1 newsletter – Bry and Beer at Wheat and Water April 18<sup>th</sup> - We asked him to have the Undergrounding Utilities Project presented by City Staff at the May meeting

**SD Park & Rec Department** - Sr. Park Ranger Rich Beleski, the supervisor for all Park Rangers via Dan Dineri

Janie asked about several items that we need to work together on -

- 1) Special events in Kellogg Park and asked that all events in our Parks be brought before our Board for approval as in the past. LJSA is the screening processes for all such events. For some reason, the City of San Diego has not been sending them to LJSA recently
- 2) Locking the gates at night and Tents that are not see through,
- 3) Terri Kraszewski – Slack Line strung up between trees are destroying our trees. Most are repeat offenders. She requested more stronger enforcement with citations issued.

We were informed that there are four Rangers to cover all shoreline parks – Torrey Pines to Mission Bay. The Board will ask for funds in the City budget to cover these needed items for the Shores.

**SD Police Report** - Officer Hesselgesser introduced Lt. Steve Waldheim:

They reported that there continues to be a struggle with maintaining security through the understaffing of the SDPD. The SDPD is getting ready for beach and summer, coordinating officers (7) and two (2) for La Jolla Shores

They encouraged us to contact them if we see something different or concerned about.

Unlocked Gates to La Jolla Shores Parking Lot - Lt. Waldheim was made aware of the unlocked gate issue, trying to work with the City to close the gate.

### **Discussion Item – Dockless Bike rentals in the public:**

San Diego Park & Recreation Department member Bill Robbins reported on the recent presentation the La Jolla Village Merchants Association board on April 11 and offered a recap of the meeting including testimony from the owners of the companies. Bill stated that the companies have stated “no bikes were deployed in La Jolla”. Which is obviously not true. The concerned groups are meeting with the bike companies in various forums. There is also grave concern about the power scooters as well..

Corresponding Secretary Angie P. offered two letters written in conjunction with board members and other associations in the area - edited by Mary Coakley-Munk.

- 1) La Jolla Community Joint Resolution on Dockless Bikes and Motorized Scooters
- 2) Letter to Mayor Faulkner from La Jolla Shores Assoc. and La Jolla Merchants Assoc.

**These letters were reviewed for content and tone by the committee**

MOTION: To send the LJSA drafted letter to Mayor Faulkener concerning the dockless bike situation in La Jolla Shores
