Public Comment:

M. Sorano, President of the LJTC, gave an update for the Fire Safety Council: She needs a copy of the minutes from last meeting & a Letter of support from LJSA. Sending a formal request to the Community in early 2027 for input.

Committee Comments:

J. Shannon wanted to make people aware of the "El Niño", "Kelvan Wave" and the King Tides" that are affecting our coastline and neighborhood.

M. Munk Thank you for everyone that manned a booth and support to celebrate Walter Munk Day.

J. Emerson USPO is not delivering mail in a timely matter. She offered to take registered voters ballots to the registrar of votes safely.

M. McCormack Thanked the SDPD for their response to an issue on October 3rd. Also the trash cans are transitioned to the boardwalk off the sand. When private garbage is deposited in public trash cans adds to piles of garbage, and the sea gulls add to problem. Thank you to the city for the fantastic job they did for Walter Munk Day. Discussed the upcoming 'King Tides' predicted, SIO will post the actual measurements, on the end of Scripps pier currently it 15" higher than predicted. Just water level, add waves and wind could be 3-5' higher.

Tamera O'Brien can we move the trash cans removed before the next high tide?

Representatives 'Reports:

SD Lifeguards - Lt. John Maher:

Warm water, rip currents, brings more beach goers means more rescues. Probably the highest number of rescues ever. Record number of rescues at Windansea beach, There is no sand south side of Windansea. Recently we had unusual rescue activity. A lot of social media about the clarity of the water at Scripps pier, causing a lot snorkelers. There is a rip current at the pier causing up to 12 rescues a day. Counted 100 snorkelers swimming at sunset. Scripps lifeguard closes November 1, 2016. Working with SDPD beach team and City Parks and Rec to keep the integrity. Contingency plans to winterize the mobile life guard towers. Reinforce the berm, move the temp towers. Swift water rescue teams are on alert tonight, sleeping at *the fire stations for the coming storm.*

SDPD - Northern Div - Lt. Jessica Dishman:

SD City has a web site to help with El Niño prepping. www.sandiego.gov search El Niño also Community Emergency Response Team (CERT). Need volunteers to get to know and help your neighbors Carie 619-980-3532, email cchouinard@sandiego.gov

K. Neil, Thank you for the recent presence of motor patrol in the area. M.McCormack asked about e-bike enforcement of motorized vehicles? First is public safety, illegal e-bike/ motorcycle.

Mayor's Office - Fatima Maciel (Gloria): Not attend

Council District 1 - Joaquin Quintero (LaCava):

A big thank you for everyone involved with Walter Munk Day it was a success and fun. A new "Streets for All "manual permits, traffic calming, safer streets. www.San diego.gov/planning/work/streets-for-all

S. Luscomb asked parking around Nobel Laureate Park during construction on the sewer/storm drain pump station? The construction team has blocked off all the parking

around, it has impacted all businesses in the area. J Quintero would look into the contractor to be more flexible. The park is closed until spring. T. Obrein asked about another utility heading up the streets and repavement of streets in La Jolla Shores? Crown Cable is the last of the utilities to underground, anticipating finished 2026, with repaving summer 2027. No longer a moratorium on construction work in the summers. A change in the Municipal Code. M. McCormack question about Flock cameras? SDPD does not share data.

3rd County District - Spencer Katz (Lawson-Remer): Not attend
77th CA Assembly District - Ava Erickson (Boehner): Not attend
38th CA Senate District - Aurora Livingston (Blakespeare): Not attend

6:35 UPDATES AND PRESENTATIONS

Elder Scam Presentation - Steve Richter, "SDPD Elder Abuse Financial Fraud Protection Program. web site: **www.sandiego.gov/Elderscams**.

"You don't need a bank to rob someone"

2025 Elder scams cost 1.2 billion in the city of San Diego, FBI says multiply by 8-12, because most elders are afraid or embarrassed to report! 2025 FBI reported 21 billion in the country. San Diego leads the way in scams. Russia, China, and Malaysia come in to the country to run their scams. The scams are changing by the hour, so quickly it's hard to catch up.

The latest scam is a phone late on a Friday night. Using AI with a known voice so you trust. If you have an I-Phone 7 or higher; go to your settings, scroll down to 'Privacy and Security' - then scroll down to "Impersonation Risk Detection" turn it on. Not sure if you have an Android what the settings are.

Updates on the latest scams are available on the web site: www.sandiego.gov/Elderscams also the hotline for elder abuse not just financial 619-963-9900

ACTION ITEMS
Appoint Elections Committee:

President appoints J. Emerson, T. Kraszewski, S. Luscomb, A. Preisendorfer. There are 5 open spots.

MOTION: To appoint the election Committee as proposed

Moved - K.Marshall & 2nd S.Gilani

VOTE 10-0-0

Speed Abatement:

Parnaaz Seddighrad gave a presentation about the speed and safety on 2610 Torrey Pines Rd. Speed limit is 45MPH but the flow of traffic is much much faster, making it difficult and unsafe to enter from the driveway or cross the street. We need a solution.

Requesting a letter to send to the city to evaluate and certify a formal survey the speeding problem on Torrey Pines Rd

MOTION: Motion to write a letter of support for a formal survey of the traffic issues on Torrey Pines Road

Moved - K.Marshall & 2nd S.Gilani

VOTE 11-0-0

Seasons Greetings Signage:

Steve Hadley of La Jolla Kiwanis presented financial information, on the signage on the bridge including permits, traffic control to put the sign on the pedestrian bridge over Torrey Pine Rd. $25-30 thousand dollars. The possibility of using SDPD certified volunteers was asked. Follow up.

MOTION: Motion made to approve the signage to be hung on the walkway overpass bridge

Moved - A. Preisendorfer & 2nd K. Marshall

VOTE 11-0-0
