

LA JOLLA CIP PRIORITIES FOR CD1 BUDGET HEARINGS FOR FY22

Background: This list was compiled from CIP priority requests sent from La Jolla Community Planning Association, La Jolla Shores Association and La Jolla Parks and Beaches to CD1 in October 2020. Projects are categorized, though not prioritized.

Capital Improvement Projects currently funded and proceeding through City process are:

1. Scripps Park Comfort Station project ("E B Scripps Park Comfort Station Replacement, CIP Ref. S15035"). It is under construction with anticipated completion in Fall 2021.
2. Drain repairs at the La Jolla Shores North Comfort Station ("Kellogg Comfort Station Improvements, CIP Ref. B20120"). Construction has not begun.
