

Torrey Pines Road, Prospect-Coast Walk Guardrail

Background

As part of its commitment to improving the quality of life in all neighborhoods, the City of San Diego is working on a project to install a guardrail in your community.

Overview

The project is located on the north side of Torrey Pines Road between Prospect Place and Coast Walk, in the La Jolla community of Council District 1. The project scope includes:

- Installing approximately 420 feet of bridge rail, end blocks, and crash cushions.
- Replacing the sidewalk and curb and gutter.
- Relocating utilities.
- Repaving the impacted section of roadway.
- Restriping.
- Installing signage.

Projected Schedule

Construction: Fall 2026 through Spring 2027.*

Anticipated Budget

The project's planning, design and construction budget is \$3.04 million.*

*Project schedule and budget are subject to change.
